SIR,

GENERAL SECRET
4 JUNE 1939

Levy of Fees for the preparation of different kinds of food stuffs, on the occasion of Santharpanes arranged by the devotees of Sri Narayanaswami and other Temples at Melkote.

Adverting to G.O.No.2172-74/Muz.24-30-9 dated 1-4-1931 sanctioning this Office proposal, to the levy of the revised rates of Sevartha Fees in the temples referred to above and for their distribution among the temple servants, I have the honor to forward herewith a copy of letter No.H.387/38 dated 8-4-1939, received from the Deputy Commissioner, Mysore District, on the subject, and to state as follows.

It is reported that no scale of fees has been sanctioned for the preparation of food stuffs of different kinds on the occasion of Santharpanes arranged by the devotees of Sri Narayanaswami and other temples at Melkote; but that, some fee is being recovered by the cooks from the sevarthadars for the purpose, from a long time.

As the existing arrangement was found to be very troublesome to the persons conducting Santharpanes, the Amildar, French Rocks Taluk, has drawn a scale of fees proposed to be levied, in consultation with the Dharmadarsis of the temple and for distribution among the cooks who render additional labour at the time of Santharpane, and requests that the same may be sanctioned.

It is stated that the Charupu Kooli at the rate of Rs 0-0-3 per seer sanctioned, is being recovered from the devotees and credited the temple funds.

The Deputy Commissioner, agreeing with the local officers, re

that the proposed scale of fees may be sanctioned.

As the rate of fees proposed to be levied is very small and will not very much inconvenience the sevarthadars, I recommend that the rates, as noted in the accompanying statement, may be sanctioned.

The connected records accompany.

With reference to your letter No.139/Muz.387-38-2 dated 19th July 1939 asking for certain particulars, regarding the above, I have the honour to forward herewith a file of records received from the Deputy Commissioner, Mandya District, with his letter No. Hl.167/39-40 dated 4th November 1940 (copy enclosed) and to state as follows:-

1) It is seen from the records (Flag J) that the proposed list compares favourably with the existing list regarding the rates and that the Dharmadarsis of the Temple have resolved that the rates now proposed are not high in respect of any item including item No.8 of the first list and 9 of the second list and that they may be adopted.

2) The rates proposed are slightly different from those existing at present and paid by Sevarthadars according to the ~~prescribing~~ prevailing arrangement between them and the cooks. The object now is to fix and get these amounts credited in the first instance to Temple Funds and paid to the cooks and fuel-owner at the commencement of each month on bills drawn, so that the transactions may pass through the Temple accounts and thus minimise the inconvenience/dealing of directly with the cooks, to the Sevarthadars.
